- *Tuning begins when the bell rings or you are tardy.
- *Instruments are stored appropriately in music lockers or the music closet (Cello/Bass).

INSTRUMENTS

Each student will need their OWN individual instrument for practice at school and at home. We recommend students “Rent to Own” instruments, however, some instruments are available through the school to “Rent to Rent”. If a student is in between sizes of instruments, **please get the smaller instrument until the student grows.** Usually, cellists and bassists can use school instruments at school and their individual instruments at home as to avoid transporting them. **Bass and Cello players need to purchase their own bows. SCHOOL INSTRUMENTS RENT FOR \$75/YEAR (BASSES ARE \$80) AND WILL BE DISTRIBUTED DURING CLASS TIME. INSTRUMENTS RENTED THROUGH THE SCHOOL MAY NOT GO HOME FOR PRACTICE UNTIL THE RENTAL CONTRACT HAS BEEN SIGNED AND RETURNED TO MRS. QUINN AND THE RENTAL FEE HAS BEEN PAID. OUR RENTAL INSTRUMENTS FOR THE DISTRICT ARE LABELED WITH AN INVENTORY TAG. IF THE TAG IS REMOVED, THERE IS A \$10 REPLACEMENT COST CHARGED TO THE STUDENT.**

***Personal instruments need to be labeled with a nametag on the case including name and phone number. It is recommended that parents keep a copy of the serial number of the instrument at home.**

INSTRUMENT CARE

Students are responsible for the care of their own instrument. This information is covered in class and reminders are given frequently. Please contact the director if you have questions. Strings can be replaced by the student after instruction from the director and a demonstration; however, more serious repairs will need to be completed at a music store. Strings are available at school for a fee dependent on the instrument and string. The current price for strings purchased from Mrs. Quinn for all instruments is \$7 each.

You and the choir/orchestra program will be greatly enhanced and will improve dramatically. See Mrs. Quinn for more information.
